More public participation

When open to the public, the event announcement should be well publicized on various platforms for better attendance.

Personally invite more people to attend. Encourage D9 presidents to invite their chapter members.

Always stay on schedule

The event was great. Perhaps better advertisement for greater attendance.

Invite more people

By sending invitations to D9 organizations presidents in time to put on their calendar to participate

Attendance of more D9 members

The lineup process was a little confusing. I think we should have seated ourselves in order inside the sanctuary and then exited to the hallway. Anyone who arrived later should have been directed to follow at the end of the line.

We could invite more non Soror/non Greek guests.

Maybe have a session reserved for visiting Sorors upfront on a separate session of the venue so they are not so far in the back.

More soror participation

Our Founders Day event was really nice. With it being an open event it was a shock to see that we were the only ones there. Later was informed that members of PanHell weren't notified about our event. Going forward we need to make sure that the appropriate person notifies the PanHell Rep or have our chapter rep reach out with the information. I know our D9 family would have been in attendance to support us. It was not a good look for our guest speaker and the few other guest that were in attendance not to see a true representation of our D9 counterparts...just my opinion.

Need more participation by public.

Everything was well executed.

More D9 presence, besides Soror's family members!

Informing other organizations for better participation

I enjoyed the event!

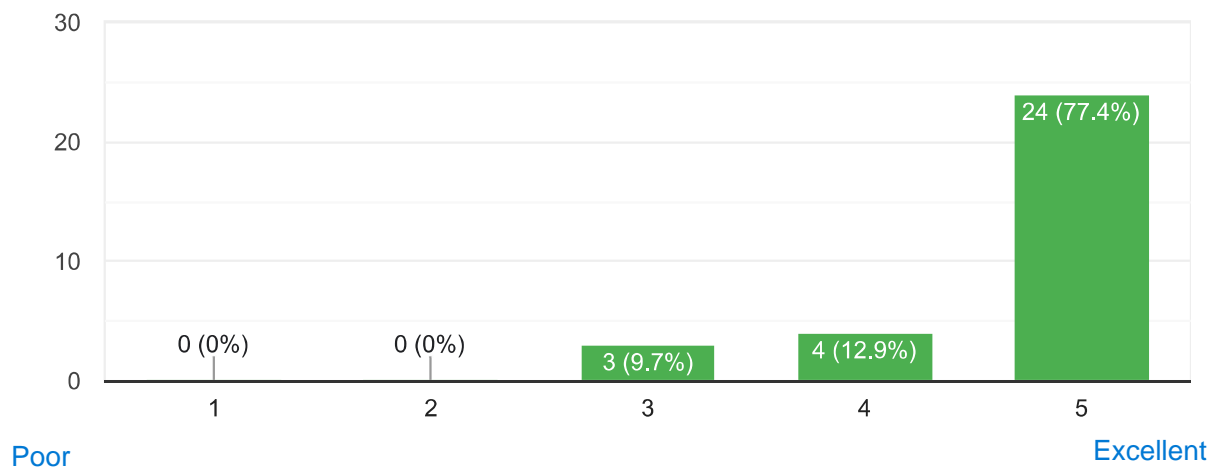

Publicize early enough for more public participation

Line up could be a little more orderly! How? I don't know!

This event was enriching for the participants.

I thought the speaker only mentioned the theme, I do not feel it was specifically addressed or addressed well. She was a little all over the place. Also, we have to do a better job getting the word out.

Great program! It flowed well, very enjoyable.

None

The program ran smoothly. The refreshments were great.

Not so much sugar for the reception. What about diabetics

A well-planned event, decorations were beautiful and the dessert bar looked delightful and beautiful as well. Was disappointed of the lack of attendees.

Overall a very beautiful program. Job well done!

The speaker was powerful, right on target with the theme and the committee did an excellent job assembling the program. The presentation of the refreshments was very appealing and that pink and green cake was delicious. Well done!!

We should extend more invitations to the community.

The Program was phenomenal from the decorations of the entrance to the sanctuary to the reception hall. The program was amazing, excellent, solo was so elegant and spirit filling. Excellent excision of protocol. I am so very proud to be a member of the Award winning, internationally impacting engaged Perpetual PEARLS of Rho Chi Omega Chapter!!!!

Beautiful program. The speaker was dynamic.

The event was good. The speaker was great and very encouraging. The dessert reception was nice and tasty desserts. However, a reception was not needed after the program. The decorations were beautiful. Great turn out of Rho Chi Omega sorors in their shades of green.

Overall, the actual event was extremely nice. Great speaker, beautiful display of sweet treats, RCO looked gorgeous in shades of green and the decorations were beautiful.

In future recommend sitting visiting Soror's beside us instead of behind depending on the dynamics of the location and event. With the low participation from public, Sorors could have filled extra spaces. Otherwise excellent program! Amazing reception!

Great event.

Great program! Nice to see so many Rho Chi Omega sorors at the event! Dessert bar looked & tasted good!

Enjoyed seeing everyone!
