BIG GAME

Senior Night is a happy sad time of the basketball season. I'm happy for my seniors for making it through the process to reach this night and sad to see or realize that another season is coming to an end and my seniors are moving on. This group of seniors were freshmen when I first arrived at Bob Jones so they held a special place in my history of coaching girls basketball on the high-school level. On Senior Night, you want to make sure your team gets a win. Here at Bob Jones, no one game is a guaranteed victory. Everyone plays their best game against us. On this night, we were hosting Buckhorn, the number 6 team in the state in 7A. We played them earlier in the month and they beat us at their place. I felt like we should have beat them and I felt like we would beat them the next time we played them. Well, we beat them on Senior Night. The girls were excited but not satisfied, which I was proud of as we headed into the Area Tournament. I was glad we were able to send the seniors out on a winning note!
